Will your quilt be put in a show? ____ If your quilt is entered into any shows, please include my name as the quilter. Quilts are put into rotation upon receipt. Quilts are typically done on a first come basis. However, if your quilt needs extra attention, please understand as I want to do what is best for your quilt and sometimes I need extra time to get "inspired", research possible designs, prepare the quilt, or order supplies. I like to post pictures of customer quilts on my website. Please let me know if you do not want it posted. I will contact you within a few days of starting your quilt. Payment, including return shipping charges must be received before we can ship the quilt back to you. I accept cash, check, debit or credit card. Please feel free to contact me with any questions.

I respect and will give the utmost care when working with your quilt top, it is my goal to assist you in production of a quilt that will be cherished for many years to come.

I reserve the right to say "no" if the quilt top is not suitable for quilting. if this happens the top will be returned to the customer and the customer will pay for the return shipping.

We also provide "rush" turn around longarm quilting with Edge to edge design. An additional 20% of the estimated total as well as additional shipping (to cover overnight return shipping) apply.
